

## TAIZÉ at All Hallows

Taizé is a short service using prayer, chants and silence. It is easy to learn, simple and very beautiful. This form of worship takes its name from a town in southern Burgundy, France, which is the home of an international ecumenical Christian community of over a hundred brothers. Regular times of prayer, chants and silence are at the heart of daily life in Taizé, and thousands from many countries have travelled there to experience this form of prayer and reflection. The profound simplicity and beauty of the worship is now used in services around the world, inspired by the ideals of justice and reconciliation that unite the community and those who visit it.

#### HANSEL & GRETEL - A NIGHTMARE IN EIGHT SCENES

Friday 12 October, 6.30pm at Milton Court Concert Hall, Barbican

A dark re-imagining of a classic tale, combining poetry, chamber music, puppetry and animation, and narrated by our own Adey Grummet. Hansel and Gretel appear as table-top puppets struggling in an unforgiving world of wooden forests, desolate villages and a fearsome predator (suitable for 12+).
